Description :

PDF-a4291 | With the rapid and unprecedented global expansion of the art market, new collectors are emerging every day. When buying art, whether for pure enjoyment, for investment or some other motive, few art collectors consider the practical and financial implications of owning and maintaining art, and many do not have a plan for how they might eventually dispose of it. This book, probing a number of resour... *The Art Collector's Handbook: A Guide to Collection Management and Care (Handbooks in International Art Business)*
