Description :

PDF-9a527 | The development of Cuban geometric abstraction and the formation of Los Diez Pintores Concretos (Ten Concrete Painters) coincided with the radical cultural shifts that raged throughout the country in the 1950s. Against this backdrop, artists sought a new visual language in which abstract art could function as political and social practice. Concrete Cuba, produced on the occasion of the 2015–16 e... *Concrete Cuba: Cuban Geometric Abstraction from the 1950s*
