Description :

PDF-3b417 | A history of German film dealing with individual films as works of art has long been needed. Existing histories tend to treat cinema as an economic rather than an aesthetic phenomenon; earlier surveys that do engage with individual films do not include films of recent decades. This book treats representative films from the beginnings of German film to the present. Providing historical context thro... *A Critical History of German Film (Studies in German Literature Linguistics and Culture)*
