Description :

PDF-ddf1a | Op art had its inception in the middle of the 1950s and its glory days in the 1960s, when it established itself internationally across political and cultural contexts. These artists--among them Victor Vasarely and Bridget Riley--were preoccupied with science, the psychology of perception and the new technology of the time. This dynamic approach to the world is also the essence of kinetic art, which... *Eye Attack: Op Art and Kinetic Art 1950–1970*
