Description :

PDF-02a0b | Fabric For Fashion: The Complete Guide is the only book specifically for fashion designers to explain the behavior and properties of different fabrics. Fashion design is largely determined by how the fabrics work, move, feel and look. The most successful fashion designers are those who understand their materials, who match design skill with technical knowledge. This book bridges that gap by providi... *Fabric for Fashion: The Complete Guide: Natural and Man-made Fibers*
