Description :

PDF-f36d3 | Throughout modern history, retailers have opened their doors to consumers, providing them with goods and services that satisfy both rational and emotional needs. They do this by evoking a customer's sensory system, to create memorable experiences that will entice shoppers to visit again and again. Starting with a brief overview of the history of retail, market research, site selection and retail ty... *Fashion Retailing: From Managing to Merchandising (Basics Fashion Management)*
