Description :

PDF-d7c4c | German Expressionism was an extraordinarily vivid presence in the art of the early twentieth century, its violent colors and often distorted, stylized forms reflecting not only the rebellious spirit of its participants, but the revolutionary mood of the new century itself. One of the most popular media used by the German Expressionists was the woodcut, important in the history of German art from t... *German Expressionist Woodcuts (Dover Fine Art, History of Art)*
