Description :

PDF-8b45b | With its emphasis on social reform and simplicity in design---bold lines, honest use of materials, and redeeming qualities of handmade goods---the Arts and Crafts movement offered an antidote to the perceived ills of a rapidly changing world and the ornate and artificial Victorian aesthetic of the late 19th century. In the first years of the 20th century, the movement was popularized in the United... *Gustav Stickley and the American Arts & Crafts Movement (Dallas Museum of Art Publications)*
