: Photoviz: Visualizing Information through Photography

ISBN : #3899556453 | Date : 2016-03-11

Description :

PDF-d3ccb | The stories told with graphics and infographics are now being visualized through photography. Fotoviz shows how these powerful images are depicting correlations, making the invisible visible, and revealing more detail than classic photojournalism. Images are omnipresent in our digital age, but they're worth a closer look. Many of them can tell us stories in new and surprising ways. Fotoviz reveal... *Photoviz: Visualizing Information through Photography*
