by Linda C. Hults : **The Print in the Western World: An Introductory History**

ISBN : #0299137007 | Date : 1996-06-15

Description :

PDF-40905 | The Print in the Western World is a comprehensive history of the print from its origins in the fifteenth through the late twentieth century. A source of inspiration to many great painters, such as Titian, Rembrandt, and Manet, printmaking has established its own criteria of aesthetic excellence as well as its own expressive language, both of which are explored here. Scholars and print collectors w... *The Print in the Western World: An Introductory History*
