Description :

PDF-95f1c | Steam locomotives gripped the imagination when they first appeared in 19th-century Europe and America. Aboard these great machines, passengers traveled at faster speeds than ever before while watching the scenery transform itself and take on new forms. Common notions of time and space were forever changed. Through vivid illustrations and engaging texts, *The Railway: Art in the Age of Steam* captur... *The Railway: Art in the Age of Steam (Nelson-Atkins Museum of Art)*
