Description :

PDF-19a7d | "Offers valuable material not only to students of crystallography but also to those of the arts." — The New York Times
Did you ever try to photograph a snowflake? The procedure is very tricky. The work must be done rapidly in extreme cold, for even body heat can melt a rare specimen that has been painstakingly mounted. The lighting must be just right to reveal all the nuances of design without pr... *Snow Crystals (Dover Pictorial Archive)*
