Description :

PDF-2cb4c | For nearly a century British potters have invigorated traditional ceramic forms by developing or reinventing techniques, materials, and means of display. *Things of Beauty Growing* explores major typologies of the vessel—such as bowl, vase, and charger—that have defined studio ceramics since the early 20th century. It places British studio pottery within the context of objects from Europe, Japan... *Things of Beauty Growing: British Studio Pottery*
