Description :

PDF-a165a | Americans began the twentieth century standing in Europe's sartorial shadow, yet ended by outfitting the world in blue jeans, T-shirts and sneakers. How did this come about? What changes in American culture were reflected in fashion? What role did popular culture play? This important overview of American fashion in the twentieth century considers how Americans went from imitating British and French... *Twentieth-Century American Fashion (Dress, Body, Culture)*
