Description :

PDF-e2920 | Timothy Allen Zigler is an NSF Award winning American Author. Normally a writer of scientific proposals in the field of biotechnology, Tim changed his writing focus after his savage opiate addiction, to doctor prescribed painkillers, sent him on a desperate trip to Mexico (with no passport) while looking for a little known cure. The touted cure is a root bark shaved from the base of a shrub called... *The Windows of Reality: Ibogaine for Opiate Addiction - One Man's Ibogaine Experience*
